All 600 and 700 CVTs are Unorganized Townships, and therefore do not have a Local Board of Appeal and Equalization. They go directly to the County Board of Appeal and Equalization.

* An open book meeting is held at a County Assessor's office if the local jurisdiction will not be having a Local Board of Appeal and Equalization. It is not necessary to attend the open book meeting in order to appeal at the County Board of Appeal and Equalization.
